About us

We're Liverpool Guild of Students, the award-winning Students' Union for the University of Liverpool. Our job is to create a home for each of the 28,000 students during their time here, ensuring each student gets the most out of student life beyond their degree.

We like to think of ourselves as home for opportunities - whether that be through joining one of our 200+ societies, taking part in volunteering, coming to a pub quiz or tucking into one of our ever-famous burritos. Each student becomes a member of the Guild as soon as they join the University, and being part of our staff team means looking forward to seeing what opportunities students embark on and achieve every year.

Our strategy

What is the Guild For? (Our Mission)

We will offer excellent opportunities, services and facilities which improve, enrich and develop the lives of all students at the University of Liverpool, from application to graduation.

Where are we going? (Our Vision)

We will ensure that our members have the best experience, be equipped to change the world and be proud of their Guild. We will be one of the leading Students' Unions in the UK.

To do this, we promise to:

- Support our members
- Invest in our spaces
- Ensure all members benefit from the Guild
- Put members at the heart of decision making

To help us keep our promises and continue to deliver a great experience for our members, we invest in the following four key areas:

- People
- Equality, Diversity and Inclusion
- Communications
- Digital and IT

How we're run

We're run by students, for students, and with students.

This is at the heart of everything we do, and our democracy structure is designed to give every student the chance to have their say and shape their university experience.

We're the key link to the University, representing the voice of 28,000 students and helping to improve the quality of their education. If something needs to change, we'll help them to make it happen.

Funding

We receive most of our funding from the University of Liverpool. We get this each year in the form of a block grant. We also raise funds through trading (bars, the shop and Starbucks) and a small amount from donations and other grants. As a charity, we do not generate profits to pay to shareholders - every penny that is made is reinvested back into the organisation.

Trustee Board

Our Board of Trustees is made up of four full time student representative officers, 4 student trustees and 4 external trustees. The Board has overall responsibility for the management and administration of the Guild, fulfilling this by setting the overall strategic direction and directly managing the Chief Executive.

Staff Structure

We currently employ circa 70 salaried staff to provide services for our members, as well as approximately 120+ student staff. The Senior Leadership consists of three Department Directors and the Chief Executive.

Our elected leaders

Every year, students are given the chance to vote for, and stand to be one of, the four Student Officers who run our organisation. They lead the political and campaigning direction of the Guild and help ensure that our priorities are aligned to students' needs.

Our Student Officers 2024-2025 are:

Rowan Bradbury
Guild President

Othman Ibrahim
Vice President

Holly Thompson
Vice President

Jitendra Mohan Inturi
Deputy President

Representative & Involving:

Our members lead us and are involved in shaping their own experience at every level.

Fun & Friendly:

Everyone is welcomed here and we create a home away from home for all our members.

Sustainable:

We've been here for over 100 years. We'll be here for hundreds more by being ethically, environmentally and financially sustainable

Professional & Responsible:

We are inclusive, informative, respectful, human and inspiring.

Innovative & Agile:

We are responsive to new ideas.

Ambitious:

Everything we provide is the high quality our members deserve.

"When I started at the Guild in 2005, my line manager told me "no two days will be the same", this is very accurate! The Guild is a fast-moving organisation which strives to do its best to create opportunities for its staff team.

The Guild has supported me through my professional qualifications, financially, but more importantly endless encouragement. I have grown in many ways; the Guild has helped me carve out a career and find my voice."

Angela Thomas, Deputy Director of Finance. Employed since May 2005.

Since starting my journey as a Student Staff member, the Guild has offered opportunities to develop my skills and grow professionally. I have benefited from a range of training not only role specific but also in wider transferable skills.

Always striking a great work-life balance, the Guild is a supportive and friendly environment to work in – in which no two days are the same.

But at the heart of the organisation is the dynamic staff team; ready to push your skill set, challenge your thinking or just have a chat about in the staff kitchen.

plus, the free tea and coffee helps!

Alex Jones, Content Marketing Manager Employed since Nov 2016.

Equality Diversity & Inclusion

Liverpool Guild Equality, Diversity and Inclusion Plan

We will ensure all of our students and staff feel they belong and find their place in our diverse and inclusive community.

Ensuring our staff and members all feel equally supported, welcomed and included and that the Guild proactively seeks to remove barriers to participation across all of its activities and areas of work and that our staff team more closely reflects our community.

Goals

Our vision for EDI Excellence will be achieved by delivering the following goals:

1. Developing our team and making sure all of our Ethnically Diverse staff feel supported.
2. Consistent good EDI practice across all areas of the Guild
3. Increasing diversity in our staff teams
4. Broadening the student offer

More details about how we plan to deliver each of these goals can be found on our website <https://www.liverpoolguild.org/about/mission-vision-values/equality-diversity-and-inclusion-excellence-plan>

Guaranteed Interview Scheme

The Guaranteed Interview Scheme for Ethnically Diverse Candidates at Liverpool Guild of Students is committed to the principles of equality of opportunity. We annually review racial diversity within our workforce and it is a key priority for us to improve racial and ethnic diversity amongst our workforce, and as such we particularly welcome applications from ethnically diverse candidates and have introduced a guaranteed interview scheme. We recognise that applicants from ethnically diverse backgrounds may have experienced additional barriers when applying for new roles.

Therefore, we are taking positive action to address an under-representation within our organisation. If you meet the minimum criteria (at least 80% of the 'essential' criteria in the person specification) and are from an ethnically diverse background, you'll be guaranteed an interview. If you are an ethnically diverse applicant and would like to be considered under our guaranteed interview scheme, you must indicate this by selecting the relevant box on the Equality and Diversity Monitoring Form. If you do not select this box, your application will be considered alongside all other applications. It is important to note that this scheme only guarantees an interview for ethnically diverse applicants who meet the minimum criteria. The selection decision at interview will be based on the most suitable candidate, regardless of background or protected characteristic.

More details about our Equality, Diversity and Inclusion Excellence Plan including how we plan to deliver and Key Performance Indicator's for this project can be found on our website:
